ABOUT US & TRAINING COMPONENTS

More Than an Esthetics License

ABOUT THE SCHOOL

Established in 2012, School of Glamology & Esthetics provides hands-on beauty education in Marietta, Georgia. Our approach blends esthetics licensure preparation, advanced beauty education, medical aesthetics concepts, and entrepreneurship skills.

HOW STUDENTS LEARN

Classroom instruction and Milady learning resources build the foundation. Instructor demonstrations, mannequins, supervised practical exercises, and student spa experiences help students apply what they learn.

TRAINING COMPONENTS

Theory and classroom discussion • Knowledge and skills assessments • Hands-on practice • Supervised client services • State board preparation • Business, marketing and financial literacy education.

PROGRAM STRUCTURE

The 1,000-clock-hour program includes a foundational first 250 hours followed by 750 additional hours of supervised learning and practical experience, in accordance with applicable program requirements.

OUR EDUCATIONAL PROMISE

Support students as they develop technical confidence, professional judgment, client-care skills and a foundation for future career growth.

INCLUDED IN YOUR TUITION

Everything You Need to Succeed

STUDENT ESSENTIALS

Milady esthetics textbooks, CIMA digital access, esthetician kit, mannequin head, practice tools, student bag and student jacket.

ADVANCED SKINCARE EQUIPMENT

Students have access to school-provided technology for supervised learning, including hydrodermabrasion, microdermabrasion, microcurrent, LED light therapy, infrared lamps, ultrasonic skin scrubbers, vacuum spray, high-frequency and galvanic equipment.

BODY TREATMENT EQUIPMENT

Training resources include body sculpting equipment, sauna blankets, vacuum suction therapy equipment, and wood therapy tools.

MEDICAL AESTHETICS EDUCATION

Explore advanced skin analysis, skin rejuvenation concepts, consultation practices, professional technology and career pathways in medical spa settings. Education in a procedure does not independently authorize its performance.

20+ ADVANCED TECHNIQUES & SPECIALTY SERVICES

Specialized training is included in the \$18,000 tuition. Graduates receive one specialty training certificate listing completed techniques, alongside their program diploma.

Explore Advanced Beauty Education

ADVANCED FACIALS & SKINCARE

Advanced facial techniques, dermaplaning, microneedling concepts, hydrodermabrasion, microdermabrasion, microcurrent, LED, high-frequency, galvanic and ultrasonic treatments.

LASH & BROW ARTISTRY

Classic eyelash extensions, hybrid eyelash extensions, volume eyelash extensions, lash lifting and tinting, eyebrow lamination, eyebrow tinting, shaping and threading.

WAXING & HAIR REMOVAL

Brazilian waxing, full-body waxing, eyebrow waxing, advanced waxing techniques and client consultation practices.

BODY TREATMENTS

Body sculpting, wood therapy, vacuum suction therapy, body contouring concepts, body wraps and exfoliation.

The techniques above are examples of the 20+ advanced techniques and specialty services taught in the program. Graduates receive one comprehensive specialty training certificate listing completed services, not separate certificates for each technique. All procedures remain subject to Georgia scope-of-practice and safety requirements.

TUITION, SUPPORT & ENROLLMENT

Your Next Chapter Starts Here

BUSINESS & ENTREPRENEURSHIP

Education includes business planning, branding, social media marketing, client acquisition and retention, pricing, profitability, budgeting, financial literacy and professional development.

CAREER PREPARATION

Build professional habits through practical training, client communication, instructor feedback, state board preparation and career guidance. Employment or income outcomes are not guaranteed.

TUITION & FINANCIAL OPTIONS

Program tuition: \$18,000. Enrollment deposit: \$1,500 (nonrefundable, subject to the enrollment agreement and applicable law). Ask admissions about available scholarships, financing and payment options.

VA EDUCATION BENEFITS

Eligible veterans and dependents may be able to use VA education benefits for approved program formats. Confirm your individual eligibility and the approved schedule with admissions before enrolling; hybrid formats may not be approved.
